### Democratic Municipal Officials

For more than 30 years, DMO has supported municipal leaders like you and played a vital role in keeping America's cities and towns in Democratic hands.

Membership in DMO is open to any incumbent municipal official who self-identifies as a Democrat, including those who hold non-partisan office. As an official constituency organization of the Democratic National Committee, DMO is the Democratic voice in local politics and the local voice in national Democratic politics. In addition to a governing board of elected officials representing cities of all sizes and diverse regions of the country, DMO has an active Advisory Board comprising corporate, labor, and policy partners that help our cities work better.

### Getting Involved

- **Policy**  
Collaborate with fellow DMOs on policies you and your council are tackling and the national policy initiatives of the Democratic Party.
- **Political**  
Learn from top national political vendors and consultants on how to make sure your successes are properly marketed and your re-election is successful.
- **Power Cities**  
Join forces with DMOs who govern the cities that serve as the economic, cultural, and governmental engines of our nation.
