South Dakota Delegate Selection Plan For the 2020 Democratic National Convention

Section I Introduction & Description of Delegate Selection Process

A. Introduction

1. South Dakota has a total of 19 delegates and 2 alternates. (*Call I & Appendix B*)
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2020 Democratic National Convention* (“Rules”), the *Call for the 2020 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2020 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of State, the State election code, and this Delegate Selection Plan. (*Call II.A*)
3. Following the State Party Committee’s adoption of this Delegate Selection Plan, the State Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (*Reg. 2.5, Reg. 2.6 & Reg. 2.7*)
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party must be submitted to and approved by the RBC before it becomes effective. (*Reg. 2.9*)

B. Description of Delegate Selection Process

1. South Dakota will use a proportional representation system based on the results of the June 2, 2020 Democratic Primary for apportioning delegates to the 2020 Democratic National Convention.
2. The “first determining step” of South Dakota’s delegate selection process will occur on June 2, 2020, the date of the Democratic Primary which allows voters registered as Democratic, Independent, or NPA (No Party Affiliation) to participate. In addition to the Democratic

Presidential candidates, there may be a Democratic Primary for US Senate, US House, one Public Utilities Commissioner, all 105 Legislative candidates (both State House and State Senate have two year terms); county commissioner races, and several other county positions.

3. Participation in State’s delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*
4. South Dakota will hold seven (7) Regional Caucuses throughout the state on March 14, 2020 to elect delegates for each Presidential candidate to represent that region at the statewide caucus to be held the following Saturday, March 21, 2020 in Pierre, SD (centrally located).
5. Each of the seven Regions is comprised of five legislative districts as indicated in the table below. A physical map of the Regions is provided in Attachment 3 of the Delegate Selection Plan.

Region	Legislative Districts
1	1, 2, 3, 22, 23
2	4, 5, 7, 8, 25
3	9, 10, 11, 14, 15
4	6, 12, 13, 16, 17
5	18, 19, 20, 21, 26
6	24, 27, 28, 29, 30
7	31, 32, 33, 35, 35

6. Each of the seven Regional caucuses are balanced in Democratic Strength giving equal weight to the vote for the Democratic candidates in the 2016 presidential and the most recent South Dakota 2018 gubernatorial. Anyone registered as a Democratic voter by or on March 14 and registered to vote in one of the five legislative districts in that specific Region are eligible to participate. Each of the seven regional caucuses will have a responsible Democrat, familiar with voter registration and equipped with voter registration documents to update any participant’s voter registration to reflect their Democratic registration preference. A notary will be available at each location to properly certify the voter registration document.
7. The following Saturday, on March 21, 2020, the Statewide Caucus in Pierre will determine the priority order by which each Presidential candidate’s delegates are listed on the June 2, 2020 Primary Ballot.
8. South Dakota has registration by party. Republicans have a closed primary. The Democratic Party allows Independents or NPA (No Party Affiliation) to vote in the Democratic Primary.
9. To encourage participation by youth in the delegate selection process, any individual who

will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process.

10. Transportation costs to either the seven Regional caucuses on March 14, 2020 or to the Statewide Caucus on March 21, 2020 will be the responsibility of those attending. The South Dakota Democratic Party (SDDP) will encourage county parties to help to defray the costs of eligible Democrats to attend these caucuses as well as provide sponsorship from the SDDP for any potential delegates to defray costs. Under no circumstances will a potential delegate be denied exercising their right to attend these caucuses due to prohibitive costs.
 11. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office.
 12. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election.
 13. No person shall vote in more than one regional caucus.
 14. All participants must be physically present at the statewide Caucus in Pierre on March 21, 2020; however, they may participate in one of the Regional Caucus on March 14, 2020 remotely by phone or other electronic means.
- C. Voter and Election Security. The South Dakota Democratic Party has taken steps to seek enactment of legislation, rules, and policies at the state and local level to enhance voter and election security, to accomplish the following seven goals:]
1. Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure; (Rule 2.H.1)
 - The SDDP works with the SD Secretary of State and the DNC to maintain voter roles. Through VAN we require 2 factor authentication for those who have access to VAN and take additional steps with those who maintain VAN.
 - The SDDP consistently educates voters on the voter registration process in South Dakota through voter registration drives. This includes information on how to register and how their voter information is processed and handled by the SD Secretary of State.
 2. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; (Rule 2.H.2)
 - The SDDP works with the SD Secretary of State and local county auditor offices to make sure that voter registration forms are submitted in a timely fashion.
 3. Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems; (Rule 2.H.3)
 - The SDDP works with local county officials and the SD Secretary of State's office to

promote the usage and convenience of precinct based optical scan voting systems. This includes working with county commissioners to include and request funding for the usage of optical scan voting systems.

4. Ensure that any direct recording electronic systems in place have a voter verified paper record; *(Rule 2.H.4)*
 - During the 2019 Legislative session, Democrats worked with the Secretary of State to pass HB 1027 which will require all polling locations to have a paper lists with voters registration information.
 5. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; *(Rule 2.H.5)*
 - The SDDP encourages all candidates to call for a recount of the election results if their race falls within the margin of error to officially request a recount by the county auditor and Secretary of State. Once the recount is requested, the county auditor hand-counts official election ballots to determine accuracy and they also canvass voters in the legislative district to verify provisional ballots.
 6. Ensure that all voting systems have recognized security measures; *(Rule 2.H.6)*
 - South Dakota uses paper ballots at polling locations that are then sealed by voters.
 7. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately. *(Rule 2.H.7)*
 - South Dakota law enables all voters the ability to bring an aide to help vote and a private booth to vote in.
- D. Voter Protection- The South Dakota Democratic Party has taken steps to establish, with DNC assistance, year-round voter protection programs to support educational, administrative, legislative, and litigation-based efforts to protect and expand the vote and advance election fairness and security, including the six goals set forth below. *(Rule 2.I and 2.I.1)*
1. Expand access to voting, including by early voting, no excuse absentee, same-day voter registration, and voting by mail; *(Rule 2.I.1.a)*
 - South Dakota has one of the longest early vote windows in the country, 46 days. The first day of early voting begins 6 weeks before election day and ends the day before election day. A voter does not need an excuse to vote early or absentee. During the 2019 legislative session while Republicans worked to shorten the early vote window, Democrats were able to successfully argue to keep the early voting period at 46 days with the help of the Secretary of State, County Auditors, and various interest groups. Currently we are able to maintain a 4 week window for same-day registration and over the past couple of legislative sessions Democrats have advocated for automatic voter registration.
 2. Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; *(Rule 2.I.1.b)*
 - Following lawsuits from the 2014 election cycle, the SDDP has successfully worked with the Secretary of State to open up 10 additional early voting locations across rural

South Dakota. Through the use of HAVA funds and work with the state we have been able to achieve these goals.

3. Speed up the voting process and minimize long lines; *(Rule 2.I.1.c)*
 - The State Party actively encourages voters to cast their ballots early during the 46 day early voting period, or we encourage them to fill out and cast their vote using the no-excuse absentee voting period. Due to a continued effort, we are seeing higher early voting numbers that result in shorter wait times for voting on election day.
 4. Eliminate onerous and discriminatory voter identification requirements; *(Rule 2.I.1.d)*
 - The State Party consistently works with local election officials to ensure each person is allowed to vote using any state-issued picture ID card. This includes: A South Dakota driver's license or non-driver ID card, a passport or other picture ID issued by the United States government, a tribal photo ID, or a current student photo ID issued by a South Dakota high school or postsecondary education institution.
 5. Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; and *(Rule 2.I.1.e)*
 - Currently South Dakota law does not allow this process to happen unless there is a recount and the ballot is a provisional ballot. The SDDP is currently working with county commissions around the state, namely on reservations to move away from precinct voting in favor of voting centers. Due to the transient population of Native Americans on reservations voters often don't live where they are registered. Additionally, reservations are rural and spacious-meaning their voting precinct closest to them may not be the one they vote at. By enacting voting centers voters will be able to cast votes at any polling location in their county.
 6. Facilitate military and overseas voting; *(Rule 2. I.1.f)*
 - The SDDP actively encourages overseas and military citizens to register and vote using South Dakota's Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) Electronic Voter Registration System and Absentee Ballot Application System. This system is in compliance with all federal and state voting laws and facilitates voting for citizens in this category.
- E. The South Dakota Democratic Party is supporting efforts to make voter registration easier, including supporting: *(Rule 2.I.2)*
1. Voter registration modernization, including online voter registration and automatic and same-day registration; *(Rule 2.I.2.a)*
 - The SDDP in coordination with our elected state legislators has been submitting legislation over the past couple of years for both online and automatic voter registration. The SDDP has been in conversation with various activist groups to possibly put both of these issues on the ballot. Currently SD has 4 weeks of same-day registration that lasts until 15 days before the election. We actively promote and encourage voters and potential voters to go vote at that time.
 2. Pre-registration of high school students so that they are already registered once they reach

voting age; (Rule 2.1.2.b)

- The SDDP directs field staff to present information about voting and the electoral process to high school students in their areas. Following the end of the presentations, the field staffer encourages and registers students to vote if they are of age, and they also pre-register students that will be 18 prior to the election. Additionally, the SDDP has been working with local school boards to encourage them to promote voter registration in school whether it be registration forms in school classrooms or administrative offices.
3. Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines; and (Rule 2.1.2.c)
 - The SDDP actively registers voters who have served time for their criminal convictions. In previous cycles, SDDP staff have coordinated with law enforcement facilities to coordinate transportation for people with criminal convictions to vote in elections.
 4. Same-day or automatic registration of voters for the Democratic presidential nominating process. (Rule 2.1.2.d).
 - Currently state law requires voters to be registered 15 days before an election. That deadline requires each County Auditor to receive a voter registration form fifteen (15) days before the election. The deadline for the June 2, 2020 primary will be 5 pm on May 19, 2020. The SDDP has been working to pass legislation that would allow for both same-day or automatic registration. Voter registration forms will be available at all delegate meetings.
- F. The South Dakota Democratic Party has taken steps to ensure an open and inclusive process and resist attempts at voter suppression and disenfranchisement (*Rule 2.J and Rule 2.J.1*).
1. Starting in 2010, the South Dakota Democratic Party has included registered Independents and NPA (No Party Affiliation) in the South Dakota Democratic Primary. While we traditionally do not have a great number of Democratic primaries for statewide office, this change evidences the value of inclusiveness with Independent voters, the fastest growing group of registered voters in South Dakota. While some Democratic activists have suggested that this has diminished the incentive to register as a Democrat, we have resisted those challenging this decision, and seeking to disenfranchise this group of voters in the selection of Democratic candidates on the primary ballot.
 2. The South Dakota Democratic Party (SDDP) stood ready to challenge error and fraud to vote absentee or vote early. We vigorously opposed HB 1178 in the 2019 SD Legislature which would have revised provisions regarding the beginning period for absentee voting. It basically would have shortened the absentee voting period from 46 to 14 days. The Democratic Caucus of the SD Legislature was united in opposing this bill. Through the SDDP Communications Director, we enlisted the help of over 500 members of our *Rapid Response Team* to challenge this law. We joined with the GOP Secretary of State in opposing this change in access to early voting. While this did pass in the SD House in 2019, it was defeated in the Senate State Affairs 8-1.

3. SDDP incorporated mechanisms with reasonable safeguards against error and fraud to vote absentee or vote early. Starting April 1, 2019, we employed a full-time staffer in Tribal Organizing. This staff position has primary responsibility for reaching out to South Dakota Tribal members and ensuring that they have access to the ballot through education, inclusion, year-round relationships, and emphasis on issues that matter to this important constituency.
4. The South Dakota Secretary of State website publically reports the total statewide and county level results for each candidate in the first determining step which is the primary held on June 2, 2020. The results are further reported for each precinct within the county. The June 2, 2020 Primary results will determine the allocation of all national delegates, rounded to the nearest whole number, subject to recount.
5. The standard for an automatic recount in South Dakota is a margin not exceeding one-fourth of one percent of the total of votes cast for two slates of presidential delegates.
6. South Dakota voters who are unable to participate in person (such as those serving in the military, those with a disability or illness, or anyone who wishes to vote by absentee regardless of the reason) may vote by absentee. The deadline to submit an absentee ballot application is 5:00 p.m. on the day before the Election. South Dakota law required the ballot to be received by the county auditor before the polls close on Election Day.
7. Military Vote by Absentee Request Online:

In 2008 the Military and Overseas Voter Empowerment Act (MOVE) was passed and South Dakota became the first system specifically designed for uniformed and overseas voters. This UOCAVA system was named after the Uniformed and Overseas Absentee Voting Act, which turned a 60 day process into a 24 hour transaction. The UOCAVA system allows all military and overseas voters to submit their absentee ballot application electronically and receive their absentee ballot electronically.

The UOCAVA system was used for the first time in the 2010 general election and continued to be used in the 2012, 2014, 2016 and 2018 elections.

The UOCAVA system requires the voter to print their absentee ballot and mail the ballot back to the county auditor. For military voters, the US Department of Defense provides expedited mail service for free from anywhere in the world.

G. Scheduling of Delegate Selection Meetings-General Provisions

1. The dates, times and places for all official Party meetings and events related to the state's delegate selection process will be scheduled to encourage the participation of all Democrats. Such meetings will begin and end at reasonable hours. In addition, the scheduling of meetings shall consider any religious observations that could significantly affect participation. (*Rule 3.A & Reg. 4.*)
2. Working with the Affirmative Action Committee the South Dakota Democratic Party will provide

for the proper education and outreach to ensure accessibility, including specifically for people with disabilities and for people with limited English proficiency in accordance with the Americans With Disabilities Act and Sections 203 and 208 of the Voting Rights Act. *(Rule 2.K.9)*

2. The deadline for submission of this letter is 5 p.m. on the last Tuesday in March. (March 31,2020) and may be filed after Jan. 1, 2020. This is established by state law. (SDCL 12-6-4) (Rules 1.A.7)

The presidential candidate has withdrawn from the Presidential race subsequent to filing; or c. The presidential candidate fails to meet the definition in Section VI of the Call to the 2020 Democratic National Convention, issued by the Democratic National Committee and Rule 12.K. of the 2020 Delegate Selection Rules.
6. Recount provisions: Whenever according to the official returns as publicly announced and compiled by the Secretary of State, that one group of candidates for presidential electors has been elected over another group of such candidates by a margin not exceeding one-fourth of one percent of the total of votes cast for both such groups, the Chair of the South Dakota Democratic Party may file with the secretary of state at any time after the election and prior to the canvass by the State Board of Canvassers, a petition setting forth that in the opinion of the petitioner or petitioners all votes cast for presidential electors should be recounted. (SDCL 12-21-15)

B. Other Requirements

“Uncommitted” may appear on the ballot if such a slate is elected at the Statewide Democratic Caucus on March 21, 2020. There are no write-in options on the South Dakota primary or General Election ballot.

Section III Selection of Delegates and Alternates

A. Statewide Delegates and Alternates

1. South Dakota is allocated 19 district-level delegates and 2 district-level alternates. (*Rule 8.C, Call I.B, I.I, & Appendix B*)
2. South Dakota has one Congressional District and 35 state legislative districts. The South Dakota Democratic Party has divided its organization on its Executive Board into seven Regions, each comprised of five legislative districts. On Sat. March 14, 2020, each of the seven Regions will hold a Regional Caucus and elect delegates to represent that Region at the Statewide Caucus to be held in Pierre (centrally located) on Sat. March 21, 2020.
3. The slate of delegates and alternates for each presidential candidate shall be elected by a pre-primary Statewide Caucus held on March 21, 2010 in Pierre, SD. The statewide primary will be held on June 2, 2020.
4. Apportionment of Regional Delegates to Attend the Statewide Caucus
 - a. South Dakota has one Congressional District. The South Dakota Democratic Party delegates and alternates are first apportioned among the seven Regional Caucuses based on a formula giving equal weight to the vote for the Democratic candidates in the 2016 presidential and the most recent gubernatorial elections. (See supporting document Attachment 4). This method will ensure the most inclusive method for allocating delegates representing each of the seven Regional Caucuses and will fairly represents Democratic voter strength in each of the seven regions. The following table reflects regional delegate allocation. At the first regional level caucus only, elected regional delegates need not be equally divided between men and women.

Regions and Legislative Districts	Allocation of Delegates <u>for each</u> Presidential candidate or uncommitted
Region 1 Legislative Districts 1,2,3,22,& 23	6
Region 2 Legislative Districts 4,5,7,8 & 25	7

5. Statewide Caucus to Select Delegates

- a. The purpose of the statewide caucus to be held on March 21, 2020 in Pierre, SD (centrally located) is to select the delegate and alternate slate whose names will physically appear on the June 2, 2020 SD Primary ballot. The number of men and the number of women in the state’s total number of elected statewide delegates and alternates will not vary by more than one. (*Rule 6.C.1 & Reg. 4.9*)
- b. At the Statewide Caucus, the first round of voting will determine the delegate with the highest rank and the first name on the delegate slate for each presidential candidate. Voting shall than alternate between men and women until all 9 statewide delegates are determined for each presidential candidate. (5 women and 4 men or 5 men and 4 women). Once the slate of nine has been determined, the delegates will elect one male and one female alternate for each presidential candidate.
- c. Alternates for each presidential candidate will be nominated at the statewide caucus on March 21, 2020 in Pierre. Alternates are only selected based on the results of the June 2, 2019 primary. There are no alternates selected at the State Convention for PLEO or At-large Delegates.

 - c. Following the statewide Caucus on March 21, 2020 and the selection of the slate for each presidential candidate, and not later than March 23, 2020 (5 pm CT) the State Democratic Chair shall convey to the presidential candidate, or that candidates' authorized representatives(s) a list of all delegates and alternates who have been elected to represent that presidential candidate and whose names will appear on the SD Primary ballot.
 - d. Each presidential candidate shall certify in writing to the State Democratic Chair, the name(s) of his or her authorized representative(s) by March 24, 2020.
 - e. The State Democratic Chair will submit the names of each Presidential candidates slate to the SD Secretary of State so it is received no later than the last Tuesday in March (March 31, 2020).
 - f. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than March 24, 2020.

6. Fair Reflection of Presidential Preference

a. Presidential Primary - Proportional Representation Plan

South Dakota has a presidential primary election and is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates. *(Rule 14.A, Rule 14.B & Rule 14.D)*

- b. On the June 2, 2020 primary, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. *(Rule 14.F)*

7. Equal Division of District-Level Delegates and Alternates

- a. **Attachment 5: Step by Step Advice for SD Democrats Seeking to be a Delegate in
Milwaukee, WI, July 13-16, 2020**

1. **Volunteer** (starting NOW) to support your choice for the next Democratic President of the US and to help elect Democrats up and down the ballot!
2. **Sign a pledge** of support for your preferred candidate or your uncommitted preference between Feb. 10 and Mar. 9 of 2020, Form available with contact to SDDP and mailed to: SDDP, PO Box 1485, Sioux Falls, SD 57105.
3. **Invite** your Democratic friends and supporters, who are eligible voters in your Legislative District to the Regional Caucus on Sat. March 14, 2020 at a time and place TBD. Each of the seven Regional Caucuses will be held on March 14, 2020. Elected delegates from your Region for each presidential candidate (or uncommitted) must attend the State Caucus March 21, 2020 in Pierre.
4. **Submit a form** to SDDP indicating intent to run as a delegate at the statewide Caucus in Pierre no later than March 16, 2020 at 5 pm. (Forms available at the Regional Caucuses on Sat. Mar. 14).
5. **Communicate and campaign** with other elected delegates supporting your presidential preference from the other Regional Caucuses. Names/contact information will be available from SDDP by March 17 at 5 pm.
6. **Run as a delegate** at the Statewide Caucus in Pierre on March 21, 2020. The more votes you gather among your presidential preference statewide caucus, the more likely you are to represent him or her in Milwaukee. 9 delegates and two alternates will be filed with the Secretary of State for each Democratic Presidential candidate on the June 2, 2020 primary ballot.
7. **Campaign for your Presidential Candidate!** If you are a Democratic County Party officer or a State Officer, remember to campaign as an individual. (You do not represent your County or the SDDP). South Dakota has a “binding primary” so the percentage your candidate receives of the primary vote, is the percentage of delegates that candidate sends to Milwaukee. (A candidate must receive 15% of the primary vote to seek any delegates).
8. **If at first you don’t succeed, try again!** If you are not elected as a delegate on June 2, you may run again at the State Convention in Sioux Falls on June 19-20, 2020 as one of the 3 At-large Delegates who will be elected by the Convention Delegates. Again, you will need to campaign among Convention Delegates members and earn the right to represent South Dakota at the national convention.
9. **Save your money and pack your bags** for Milwaukee, WI for the July 13-16, 2020 National Convention. The South Dakota Democratic Party does not financially sponsor delegates. In the past, some delegates have fund-raised with their county party or like-minded supporters of your Presidential Candidate.

Who is eligible? Any South Dakota registered Democrat, at least 18 years old on or before the primary on June 2, 2020 is eligible to be a delegate.

How are delegates elected? Delegates elected in each Regional Caucus on Saturday, March 14, 2020 and must attend the Statewide Caucus on Saturday, March 21, 2020 in Pierre. 9 delegates will be elected on March 21 for each Presidential Candidate. Any presidential candidate falling below 15% shall not be awarded delegates.

How many may attend the statewide caucus from each ?
